Play Day 2017: Preschoolers Just Wanna Have Fun
by Wilma Lyn Balmores – Regalado, MAT

The Preschool Department headed by the Vice Principal, Dr. Nida H. Garcia, held its Play Day with the theme, “Preschool 2017: Preschoolers Just Wanna Have Fun”, last October 21 for the Morning Session and October 22 for the Afternoon Session from 7:00 – 12:00 noon at the PSD Gym.

The two – day fun-filled event both began with a parade participated in by the four competing teams namely the Blue Eagles, Red Tamaraws, White Hawks, and Yellow Tigers. Following the parade was the opening ceremony at the outdoor court which highlighted the Flag Raising, Torch Relay, Lighting of the Athletic Urn, and the Declaration of the Opening of the Games. The Friendship Ring Relay was witnessed on the second part of the program.

During the first day, one of the most waited moments of the competitions was that of the Best Team Banner in which the teams presented their banners consisted of recycled materials. Loud yells and cheers were also presented by the four teams. The morning session pupils together with the parents witnessed “My Sports Idol 2017”. The team representatives portrayed their favorite sports stars which made the audience in awe due to their performances. Fun team games followed right after the awarding of the winners of the said contest.

The second day was also filled with fun and excitement with equal energy from the pupils and parents. Four pairs of good looking boys and girls competed in the Search for Little Mr. and Ms. Play Day 2017. Aside from their looks, they also showcased their talents in singing and dancing which really wowed the audience and gave the judges a really tough job. Games followed after the search. Parents and children joined the games in order to earn points for their team but most of all to have the enjoyment being with their children.

Indeed, it was a day of play, fun, and excitement. Not only the pupils but also the parents were participative. Camaraderie, sportsmanship, teamwork, and perseverance were evident through the banners, emblems, and props used and active participation by all the four competing teams.

Trophies and prizes in kind were given out during the awarding both in the Searches and the Games. This year’s results are as follow:
